carpet prespotter

PRODUCT CODE 483

APPEARANCE clear pale straw liquid

REACTION mildly alkaline

STORAGE above 5°C

STANDARD PACK SIZE 5ltr

ALSO AVAILABLE IN 1ltr, 10ltr, 20ltr

Brilliant carpet pre-spotting prior to machine cleaning

- ✓ Professional grade pre-spotting prior to machine carpet cleaning.
- ✓ Effective even on heavy soiling.
- ✓ Lifts soil away from carpet fibres.
- ✓ Formulated with efficient solvent properties for removal of greasy soils.
- ✓ Economical in use.

How to use

For general cleaning, dilute 1 part in 10 parts of water and apply to carpet using trigger spray. Agitate using a damp cloth and clean using extraction machine. If necessary, repeat on stubborn stains.

If applied by hand, always ensure that all product is removed from carpet after cleaning to avoid shrinkage.

Do not spot clean the same area more than twice.

For further process information speak to an Ideal technical representative.

Always test for colour fastness on a small inconspicuous area before use.

Health & safety

Available on request. Store above 5°C.
